

# Spelling Strategy - Look, Say, Cover, Write, Check

Tutor or student : Copy the “6” words to be learned for the week in the Word column for each day. (The number of words will vary with the student’s level of ability).

Student: Look at the word, cover it, write it in 1<sup>st</sup> try box, check it. Do this twice more. Practise the same words each day, not just until you’ve got them right – but until you can’t get them wrong.
